

1415 1st Ave West, Suite 2000
Owen Sound, ON N4K 4K8

March 15, 2019

Position Precise:

We have opportunities available for 3-4 full time **family physicians** to join our FHO and become part of the Owen Sound Family Health Organization.

This is a great opportunity for a physician to join the Owen Sound Family Health Organization. We have a full complement of Allied Health professionals including social workers, dieticians, pharmacist, nurse practitioners, occupational therapist, respiratory therapist and nurses.

We have a beautiful facility located on the water in Owen Sound that also houses diagnostic imaging for plain films and ultrasound, pharmacy, dental, physiotherapy and oxygen therapy as well as a wonderful European bakery.

We have a well-equipped clinic along with procedural rooms that would be available turnkey to any new associate.

As well as office based care, opportunity exists in Owen Sound for obstetrics, inpatient care, surgical assist, emergency, palliative care (our new hospice Chapman House <https://www.greybrucehospice.com>)

We have active programs for chronic disease management which helps immensely in patient management.

There are also teaching opportunities available. Depending on the size of the patient roster, annual income can be \$350,000 to \$400,000.

We are an active site for the 2year family practice residency at McMaster and also active with students from other universities as well.

We are interested in hearing from anyone who has any interest in this opportunity. We are receptive to new physicians as well as anyone who would like to relocate and join us.

Qualifications: licensed to practice in Ontario

Date Available: immediate

Please visit us at www.osfht.ca for further details. If you would like more information or to apply please email physicians@osfht.ca.

Preference will be given to Canadian Citizens and Permanent Residents. Only those candidates selected for an interview will be contacted.
